

HEART 'n GROOVES

bead press tutorial.

Written by Julie Fountain, www.lushlampwork.co.uk

STEP 1

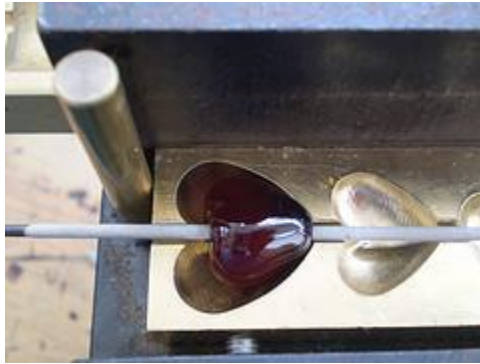

Make a round bead, approx 14mm diameter.

STEP 2

Marver into a cone shape, with a well-tapered end.

STEP 3

Press - now you can see where glass needs to be added.

STEP 4

Add glass to shoulders. Shape the sides gently by simply angling against a marver to push the shoulders towards the mandrel.

STEP 5

Press!
